

Pendleton County Broad Survey

Please answer the following questions to the best of your ability. If you have broadband at home/work, complete the following survey online at: <https://pendletoncounty.com>. When taking the speed-test, use a fixed connection:

1. What is your name?

2. What is your physical address?

3. Do you have internet service?

4. Do you have high speed internet with unlimited service?

5. If so, who is your internet provider?

6. What speed package do you have?

7. What packages are offered by your internet service provider?

8. What are your speed test results? *Please go to www.speedtest.net and take the broadband speed test from a fixed connection in your home. Please attach a copy of the results. This is NOT a required question but its information is crucial to gathering information.*

9. If you do not have internet service, is it available at your house?

10. If you do not have internet service, would you like to have it?

11. What level of service do you require?
